**Response Summary:**

# From a Problems to Data Sources Worksheet

**Goal:** Acquire data for semester topic
**Objectives:** Students will identify appropriate data sources
transition from a broad topic to a specific question
**Outcomes:** Students will plan, generate, and determine the
availability of data for the semester

**1. Student Information** *

| | |
|---|---|
| *First Name* | Jeremy |
| *Last Name* | Chen |
| *Course*<br>*(e.g. CGT 270-001; CGT 501)* | CGT270-001 |
| *Term*<br>*(e.g. F2020)* | F2021 |

**Q12. If you are enrolled in CGT 501, select a cohort**
  N/A

**2. Email Address (enter your University email address)** *
  chen3191@purdue.edu

**3. Purpose (select an option from the drop down box)** *
  • Develop Research Questions

# Evaluate

**4. Describe your semester topic below** *

| | |
|---|---|
| *I am working on the topic of: describe your topic* | Our topic is the increase of opioid death rates each year which correlated to mental health, prescription and demographic location. |
| *Because I want to find our: describe the research goal* | To find the solution to decrease the death rate due to opioid each year. |
| *In order to help my reader understand better: describe intention for reader* | For readers to be aware of how much of a problem opioid abuse is related to mental health. We will show graph and charts to show how it has increased each year. |

**5. Talk to a Librarian to help identify appropriate data sources for the semester topic.** *

| | |
|---|---|
| *Primary Sources: Raw data (that you collect and/or generate where applicable)* | https://www.in.gov/recovery/data/ |
| *Secondary Sources (must have at least 1 secondary source): best secondary sources are books from published literature, university press and/or articles that have been peer reviewed* | https://www.in.gov/recovery/data/ |
| *Tertiary Source: include Books and articles that synthesize secondary data for general readers* | https://www.kff.org/statedata/mental-health-and-substance-use-state-fact-sheets/indiana/ |

You must have a minimum of 3 data sources. If all of your data sources are internet web sites, this page will be returned to you to find additional sources.

**6. How did you evaluate the data sources provided above for relevance and reliability?** *
We made sure that each data source is related to the topic with reputable sites for education purpose.
